The panel will meet once a month if there are appeals and consider all the appeals they feel meet the criteria laid out in this document. Other appeals may be considered if the Panel deem that there are exceptional circumstances

All applications should be directed to the following email address

Please read carefully the information below to ensure that you understand the basis on which appeals are considered and that you supply all the necessary supporting information to enable the Appeals Panel to consider your application without undue delay.

Appeal Consideration

Appeals will only be considered where there are exceptional extenuating circumstances. Please give as much information as necessary to give the Panel a clear picture of your circumstances. Each case is considered on an individual basis and any information you provide in support of your appeal will be confidential to members of the Panel and staff dealing with your application.

Your appeal is more likely to succeed if:

- You have a disability affecting your mobility to a significant extent.
- Public transport from home to the University is not available
- Your course involves placements which cannot be accessed other than by car.
- You have sole caring responsibilities which preclude your use of public transport to get to the University on time.
- Due to the nature of your course you have equipment, Sports goods, large Musical instruments that you need to transport between your home and the University on a regular basis and are too big for public transport

This list is not definitive; there may be other circumstances which you wish the Panel to consider

The following are not considered grounds for a successful appeal:

- Needing a car to travel to and from part-time employment or voluntary work.
- Preferring to drive to placements where transport is provided or public transport is available.
- Personal convenience linked to bus timetable

Notification of Outcomes:

The Panel normally meets monthly to consider applications and every effort is made to communicate the outcome of the appeal as soon as possible. Notification of the outcome is normally via your @Chi e-mail. Where a permit is granted, you will be told the type of permit granted, for how long the permit is valid for and an indication of when the permit will be ready for collection. Except in the case of students with disabilities or chronic health problems, approval is normally granted only until the end of the current academic year and a new appeal must be submitted each subsequent year.
