Temporary Stalls, Stands and Banners

Stalls, stands and banners should comply with our criteria and be directly related to study or support services that are available to students.

Students can request to set up a temporary stall, stand or banner only if it is directly related to a specific assignment or project assigned as part of their studies. All requests will need to be confirmed by the student's academic tutor. Requests purely for commercial or personal interest are not allowed.

Requests for Additional Use

All requests for additional use of the buildings must be agreed by the Head of Support and Customer Experience. To request please email help@chi.ac.uk and each request will be considered on a case-by-case basis.
