

2019-2020 Chichester Bursary Award Policy

Cash bursaries are available to full-time Home undergraduate students paying the headline fee of £9,250, whose household income is below £25,000. Eligibility is automatically considered each year based on information provided by the student to Student Finance England as part of the student support application. Both parents and the student must consent to share all household information with us. Emails of eligibility will be sent in September/October.

All eligible Home full-time undergraduate students entering Higher Education for the first time, starting their course at the University of Chichester, paying a £9,250 tuition fee, whose assessed family incomes are £25,000 or less will receive a bursary for the amounts shown below:

Year	Cash Bursary
1	£500
2	£500
3	£500

Cash bursaries will be paid for each year of full-time study. Payment will be made in 2 equal instalments in November and February. In order to receive each instalment students will need to be in Full Time attendance on the following dates:

Payment	Census Date	Payment Date
1	Two weeks after the course start date	1 November 2019
2	Day two after returning from the Winter break	21 February 2020

Please note: This bursary is not available to PGCE students, or to those on a placement year. Students who are repeating a year, and paying a reduced tuition fee, are also ineligible.

Care Leavers may be eligible for our Care Leavers Bursary of £1,000 per year irrespective of any other funding or grants they may receive. Contact our Care Leavers Coordinator, Dave Corcoran, on clc@chi.ac.uk for more information or see our [Care Leavers](#) webpage

Students who face financial difficulty, whether or not they are in receipt of a bursary, should contact the student money advice team who may be able to offer support through the university's Hardship Fund.
